Blackstone / GSO Closed-End Funds Declare Monthly Distributions

New York, New York – GSO / Blackstone Debt Funds Management LLC, an affiliate of GSO Capital Partners LP (“GSO”), announced monthly distributions for the three listed closed-end funds it advises, Blackstone / GSO Senior Floating Rate Term Fund (NYSE: BSL), Blackstone / GSO Long-Short Credit Income Fund (NYSE: BGX), and Blackstone / GSO Strategic Credit Fund (NYSE: BGB) (each a “Fund” and together the “Funds”).

The Funds’ monthly distributions are set forth below. The following dates apply to the distribution declarations for the Funds:

Ticker	Fund	Monthly Distribution Per Share
BSL	Senior Floating Rate Term Fund	\$0.093
BGX	Long-Short Credit Income Fund	\$0.100
BGB	Strategic Credit Fund	\$0.094

Ex-Date:	June 22, 2020	July 23, 2020	August 21, 2020
Record Date:	June 23, 2020	July 24, 2020	August 24, 2020
Payable Date:	June 30, 2020	July 31, 2020	August 31, 2020

The Funds declare a set of monthly distributions each quarter in amounts closely tied to the respective Fund’s recent average monthly net income. As a result, the monthly distribution amounts for the Funds typically vary quarter-to-quarter, and shareholders of any Fund should not expect that Fund to continue to pay distributions in the same amounts shown above. The dynamic distribution strategy provides GSO with greater flexibility to maintain portfolio credit quality in varying market conditions. In addition, the dynamic distribution strategy reduces the need to retain reserves from net investment income to support the stability of future distributions.

A portion of each distribution may be treated as paid from sources other than net investment income, including but not limited to short-term capital gain, long-term capital gain, or return of capital. The final determination of the source and tax characteristics of these distributions will depend upon each Fund’s investment experience during its fiscal year and will be made after the Fund’s year end. Each Fund will send to investors a Form 1099-DIV for the calendar year that will define how to report these distributions for federal income tax purposes.

About Blackstone and GSO Capital Partners

Blackstone is one of the world's leading investment firms. We seek to create positive economic impact and long-term value for our investors, the companies we invest in, and the communities in which we work. We do this by using extraordinary people and flexible capital to help companies solve problems. Our asset management businesses, with \$538 billion in assets under management, include investment vehicles focused on private equity, real estate, public debt and equity, growth equity, opportunistic, non-investment grade credit, real assets and secondary funds, all on a global basis.

GSO Capital Partners LP is the global credit investment platform of Blackstone. Our credit & insurance segment, which consists principally of GSO, has approximately \$129 billion of assets under management. GSO is one of the largest alternative managers in the world focused on the leveraged-finance, or non-investment grade related, marketplace. GSO seeks to generate attractive risk-adjusted returns in its business by investing in a broad array of strategies including mezzanine debt, distressed investing, leveraged loans and other special-situation strategies. Its funds are major providers of credit for small and middle-market companies and they also advance rescue financing to help distressed companies.

Investors wishing to buy or sell shares need to place orders through an intermediary or broker.
