

Private Equity International

Awards 2019

Large-cap Firm of the Year in North America

Blackstone

The top firm in the PEI 300 surpassed itself again in 2019, with assets under management up 21 percent in the 12 months reaching a new record of \$571 billion. The alternative asset management firm raised the largest PE fund in the industry, amassing \$26 billion for Blackstone Capital Partners VIII. It also started new lines of business including life sciences, growth equity and an impact investing platform. Overall it invested \$63 billion in 2019.
