

BLACKSTONE SENIOR FLOATING RATE TERM FUND

BLACKSTONE LONG-SHORT CREDIT INCOME FUND

BLACKSTONE STRATEGIC CREDIT FUND

BLACKSTONE FLOATING RATE ENHANCED INCOME FUND

AUDIT COMMITTEE CHARTER

Amended: February 24, 2022

This charter sets forth the purpose, authority and responsibilities of the Audit Committees of the Boards of Trustees (each, a “**Board**”) of each of Blackstone Senior Floating Rate Term Fund, Blackstone Long-Short Credit Income Fund, Blackstone Strategic Credit Fund and Blackstone Floating Rate Enhanced Income Fund (each referred to as the “**Fund**”).

Purposes

Each Audit Committee of each Board (each, a “**Committee**”) has, as its primary purpose, oversight responsibility with respect to: (a) the adequacy of the Fund’s accounting and financial reporting processes, policies and practices; (b) the integrity of the Fund’s financial statements and the independent audit thereof; (c) the adequacy of the Fund’s overall system of internal controls and, as appropriate, the internal controls of certain service providers; (d) the Fund’s compliance with certain legal and regulatory requirements; (e) determining the qualification and independence of the Fund’s independent auditors; and (f) the Fund’s internal audit function, if any.

The function of the Committee is oversight; it is the responsibility of the Fund’s investment adviser (the “**Adviser**”) to maintain appropriate systems for accounting and internal control, and the independent auditors’ responsibility to plan and carry out a proper audit.

Authority

The Committee has been duly established by the Board and shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain counsel and other experts or consultants at the expense of the Fund and approve the fees payable to such advisors and any other terms of their retention. The Committee has the authority and responsibility to retain and terminate the Fund’s independent auditors. In connection therewith, the Committee must evaluate the independence of the Fund’s independent auditors and receive the auditors’ specific representations as to their independence.

Composition and Term of Committee Members

The Committee shall be comprised of members who are “**Independent**,” which term shall mean a trustee: (i) who is not an “interested person,” as defined in the Investment Company Act of 1940, as amended, of the Fund; and (ii) who has not accepted directly or indirectly any consulting, advisory, or other compensatory fee from the Fund (other than fees for serving as a Trustee or member of the Committee or any other committee of the Board). The members of the Committee shall designate one member to serve as Chairman of the Committee (the “**Chairman**”).

No member of the Committee may serve on the audit committees of more than three public companies, including the Fund, unless the Board determines that such simultaneous service would not impair the ability of such member effectively to serve on the Committee. For the purposes of this determination, service on multiple audit committees within the same fund complex shall be counted as service on a single audit committee. The Fund shall disclose in its annual proxy statement any such determination.

With respect to those Funds listed on the New York Stock Exchange (the “**NYSE**”), each member of the Committee shall be “Independent,” as such term is defined in the NYSE Listed Company Manual §303A, and shall be free of any relationship that, in the judgment of the Board, may interfere with the exercise of his or her independent judgment.

Each member of the Committee shall serve until a successor is appointed.

The Board shall determine whether: the Committee has at least one member who is an “audit committee financial expert” (“**ACFE**”), as such term is defined in the rules adopted under Section 407 of the Sarbanes-Oxley Act of 2002. The designation of a person as an ACFE is not intended to impose any greater responsibility or liability on that person than the responsibility and liability imposed on such person as a member of the Committee, nor does it decrease the duties and obligations of other Committee members or the Board. In addition, with respect to those Funds listed on the NYSE, each member of the Committee must be financially literate and at least one member of the Audit Committee must have accounting or related financial management expertise, as the Board interprets such qualifications in its business judgment under the NYSE listing requirements.

Meetings

The Committee shall meet on a regular basis, no less frequently than semi-annually, and is empowered to hold special meetings as circumstances require. Periodically, the Committee shall meet with personnel responsible for management of the Fund to discuss the Fund's annual audited financial statements and semi-annual financial statements. Periodically, the Committee should meet separately with personnel responsible for management of the Fund, the Fund's administrator or custodian and independent auditors to discuss any matters that the Committee or any of these persons or firms believe should be discussed privately. The Committee may request any officer or employee of the Adviser or the Fund's legal counsel (or counsel to the independent trustees) or independent auditors to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

Minutes of each meeting will be taken and circulated to all members of the Committee in a timely manner.

Any action of the Committee requires the vote of a majority of the Committee members present, whether in person or otherwise, at the meeting at which such action is considered. At any meeting of the Committee, one member of the Committee shall constitute a quorum for the purpose of taking any action.

Duties and Powers of the Committee

The duties and powers of the Committee include, but are not limited to, the following:

- receive and review a written report (or update, with respect to a semi-annual filing), as of a date 90 days or less prior to the filing of the Fund's annual (or semi-annual) report with the SEC, to the Committee from the Fund’s independent auditors regarding any: (i) critical accounting policies to be used; (ii) alternative accounting treatments that have been discussed with personnel responsible for management of the Fund along with a description of the ramifications of the use of such alternative treatments and the treatment preferred by the independent auditors; (iii) material written communications between the auditor and personnel responsible for management of the Fund; and (iv) all non-audit services provided to any entity in the Fund’s investment company complex (excluding non-audit services provided to Blackstone Inc. and its affiliates) that were not pre-approved by the Committee;
- review matters relating to the Fund's internal controls and annual and semi-annual financial reporting process, including results of the annual audit. Review internal accounting controls relating to the activities of the Fund’s custodian and administrator and the Adviser through the periodic review of reports, discussions with appropriate officers and consideration of reviews provided by internal audit staff;
- meet with the Fund's internal auditors (or other personnel responsible for the internal audit function), if any, following an internal audit of the Fund to discuss significant risks and exposures, if any, to the Fund's risk management processes and system of internal controls, and the steps taken to monitor and minimize such risks;

- review of any issues brought to the Committee's attention by independent auditors or personnel responsible for management of the Fund, including those relating to any deficiencies in the design or operation of internal controls which could adversely affect the Fund's ability to record, process, summarize and report financial data, any material weaknesses in internal controls and any fraud, whether or not material, that involves personnel responsible for management of the Fund or other employees who have a significant role in the Fund's internal controls;
- review and evaluate the qualifications, performance and independence of the lead partner of the Fund's independent auditors;

The Committee shall also perform a review and evaluation of the adequacy of this Charter at least annually and recommend any proposed changes to the Charter to the Board for approval. The Committee shall conduct such evaluations and reviews in such manner as it deems appropriate in its judgment.

EXHIBIT A

WHISTLEBLOWER PROCEDURES

Responsibilities of Audit Committee of the Fund (the “Audit Committee”) With Respect to Specified Complaints

The Audit Committee shall receive, retain, investigate and act on complaints and concerns of Covered Persons¹ (“**Reports**”) regarding:

- questionable accounting, internal accounting controls and auditing matters, including those regarding the circumvention or attempted circumvention of internal accounting controls or that would otherwise constitute a violation of the Fund’s accounting policies (each an “**Accounting Allegation**”);
- compliance with legal and regulatory requirements (“**Legal Allegation**”); and
- retaliation against Covered Persons who make Accounting Allegations or Legal Allegations (“**Retaliatory Act**”).

In the discretion of the Audit Committee, responsibilities of the Audit Committee created by these procedures may be delegated to the Chairman of the Audit Committee.

Procedures for Receiving Reports

Any Report that is made directly to personnel responsible for management of the Fund, whether openly, confidentially or anonymously, shall be promptly reported to the Audit Committee.

Each Report forwarded to the Audit Committee by personnel responsible for management of the Fund and each Report that is made directly to the Audit Committee, whether openly, confidentially or anonymously, shall be reviewed by the Audit Committee, members of which may, in their discretion, consult with personnel responsible for management of the Fund who is not the subject of the allegation and who may have appropriate expertise to assist the Audit Committee. The Audit Committee shall determine whether the Audit Committee or personnel responsible for management of the Fund should investigate the Report, taking into account the considerations set forth in Section C below.

1. If the Audit Committee determines that personnel responsible for management of the Fund should investigate the Report, the Audit Committee shall notify the Fund’s Chief Compliance Officer in writing of that conclusion. Personnel responsible for management of the Fund shall thereafter promptly investigate the Report and shall report the results of their investigation, in writing, to the Audit Committee. Personnel responsible for management of the Fund shall be free in their discretion to engage outside auditors, counsel or other experts to assist in the investigation and in the analysis of results.

¹ For purposes of these Procedures, “Covered Person” means any “Fund Covered Person” or “Vendor Covered Person”; “Fund Covered Persons” means officers of the Fund as well as those employees of the Fund’s investment adviser and sub-adviser that provide services on behalf of those entities to the Fund; and “Vendor Covered Persons” means those employees of the Fund’s custodian, administrator, transfer agent, auction agent and other third-party agents that, pursuant to agreements with the Fund, provide services to or on behalf of the Fund.

2. If the Audit Committee determines that it should investigate the Report, the Audit Committee shall promptly determine what professional assistance, if any, it needs in order to conduct the investigation. The Audit Committee shall be free in its discretion to engage outside auditors, counsel or other experts to assist in the investigation and in the analysis of results.

Considerations Relative To Whether the Audit Committee or Personnel Responsible for Management of the Fund Should Investigate a Report

In determining whether personnel responsible for management of the Fund or the Audit Committee should investigate a Report, the Audit Committee shall consider, among any other factors that are appropriate under the circumstances, the following:

- Who is the alleged wrongdoer? If an executive officer, senior financial officer or other high management official is alleged to have engaged in wrongdoing, that factor alone may militate in favor of the Audit Committee conducting the investigation.
- How serious is the alleged wrongdoing? The more serious the alleged wrongdoing, the more appropriate that the Audit Committee should undertake the investigation. If the alleged wrongdoing would constitute a crime involving the integrity of the financial statements of the Fund, that factor alone may militate in favor of the Audit Committee conducting the investigation.
- How credible is the allegation of wrongdoing? The more credible the allegation, the more appropriate that the Audit Committee should undertake the investigation. In assessing credibility, the Audit Committee should consider all facts surrounding the allegation, including but not limited to whether similar allegations have been made in the press or by analysts.

Protection of Whistleblowers

Consistent with the policies of the Fund, the Audit Committee shall not retaliate, and shall not tolerate any retaliation by personnel responsible for management of the Fund or any other person or group, directly or indirectly, against anyone who, in good faith, makes an Accounting Allegation or Legal Allegation, reports a Retaliatory Act or provides assistance to the Audit Committee, personnel responsible for management of the Fund or any other person or group, including any governmental, regulatory or law enforcement body, investigating a Report. The Audit Committee shall not, unless compelled by judicial or other legal process, reveal the identity of any person who makes an Accounting Allegation or Legal Allegation or reports a Retaliatory Act and who asks that his or her identity as the person who made such Report remain confidential and shall not make any effort, or tolerate any effort made by any other person or group, to ascertain the identity of any person who makes a Report anonymously.

Records

The Audit Committee shall retain for a period of seven years all records relating to any Accounting Allegation or Legal Allegation or report of a Retaliatory Act and to the investigation of any such Report.

Procedures for Making Complaints

In addition to any other avenue available to a Covered Person, any Covered Person may report to the Audit Committee openly, confidentially or anonymously any Accounting Allegation or Legal Allegation or report of a Retaliatory Act. Accounting Allegations, Legal Allegations and reports of a Retaliatory Act can be made orally or in writing to the Chairman of the Audit Committee. Such Reports can also be made directly to personnel responsible for management of the Fund openly, confidentially or anonymously by contacting the Fund's Chief Compliance Officer in writing or in person.
