

# Blackstone Loan Financing Limited (the "Company")

11 May 2021

## You can choose to receive shareholder communications online

Dear Shareholder,

The Companies (Jersey) Law and the Electronic Communications (Jersey) Law 2000 allows us to use our website to communicate with shareholders. Reports and accounts, notices of shareholder meetings, updates to certain disclosures relating to the Company (including conflicts of interests disclosures relating to the Company's portfolio adviser, Blackstone Credit), and any other documents that are required to be sent to shareholders ("shareholder information") are at the same time published in the investors section on our website at <https://www.blackstone.com/fund/bgflfn-blackstone-loan-financing-limited/>.

We would like to use our website as the default method of publication of shareholder information. This will reduce the number of documents sent by post, not only resulting in cost savings to the Company, but also reducing the impact that the printing and distribution of documents has on the environment.

**You can still receive (at no cost) physical copies of shareholder information. If you wish to do this, please return the reply slip with option a) selected.**

- The reply slip must be returned no later than 28 days after the above date. If you have not responded by this time, we will assume you wish to receive shareholder information electronically and you will no longer receive physical copies in the post.

Thank you for helping us to reduce costs and minimise environmental impact.

Yours faithfully,

BNP Paribas Securities Services SCA  
As company secretary of Blackstone Loan Financing Limited
